## **Policies**

*Please retain for your records.*

**Renewing Members** - An application must be completed by each renewing party (couples, please use a single application). Renewals must be received by March 18, 2019.

**New Members** - To become a member of one of our groups, please speak with that group leader about availability. If uncertain about which group, please call customer service. To purchase individual subscriptions, please mail your application along with payment to address below.

**Seating Policy** - Subscribers who renew by the March 18 deadline are guaranteed to be assigned same or better seating for the 2020 season; any subscriber desiring the exact same seat assignment as in 2019, should check only the "same seats" box on the application. New subscribers will be seated after renewing members' seats are assigned.

**Current Kings Point Subscribers** - Current Kings Point Theatre subscribers will be given highest priority in placement within the Sunday night and Monday matinee series, which will be new at Spanish River Church, starting in 2020. We believe that most of these subscribers will be able to retain their seating tier through this venue transition, but priority will be given to the earliest applicants, so please get your applications in ASAP.

**Exchanges** - Should a conflict arise with one of the performances within your requested series, an exchange for an alternate date is possible (fees may apply). Exchange requests will be accepted after subscriber tickets have been mailed in November, 2019.

**Refunds** - Under extenuating circumstances, series refund requests are possible. Refund requests must be received by December 31, 2019, and are subject to a \$10 per subscription fee. Special Event tickets are non-refundable.
